WITH AN ISBN

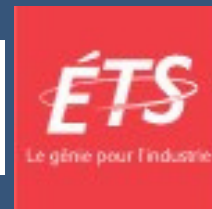

Background

The aim of the symposium is to illustrate the issues surrounding mobility and transport in Algeria, drawing on global experiences in the field. The meeting will showcase current projects and approaches, with the aim of contributing to the perception of transport in Algeria. The aim is to develop a pragmatic, forward-looking vision for the transport sector.

A 500-word abstract in Word format should be sent to the following e-mail address:

<https://tpmdi25.sciencesconf.org/>

Our partners
